

Conference Room

The conference room is a shared gathering and recreational space for members: a comfortable, multi-use room for meetings, classes, game nights, group projects and other small events.

What is in the room

- A smart TV
- A large whiteboard
- Books, board games, video games and other entertainment and educational materials

What it is used for

- Member meetings and project planning
- Small classes and workshops
- Game nights and recreational activities
- Relaxing while you wait on a print, paint to dry or another project
- Social gatherings among members and their guests

Using it

Any member can use the room when it is free. A reservation is only needed for hosted events, and the room holds a maximum of 12 people. Food is allowed in the room, and everything goes back to a clean, default arrangement when you are done.

The full rules for reservations, guests, food and cleanup are in the **Conference Room Policy** in the Shop Rules book.

Something wrong with the room?

Report broken equipment, missing items or other problems on Discord or to a board member.
